**Our three websites show the variety of ideas the Flexi Companies can provide. Your needs are unique and we have, or can create, your solution.**

## Creative Thoughts You Can Use

### Encouraging Employee Recognition

Effective employee recognition can be your most important tool in creating a happier workplace. Research shows that positive and happy employees work smarter, more productive and are more engaged in their organization's success. Recognition is also directly linked to building a more trusting culture, improving communication and attracting and keeping the best employees.
