## Description

When LPL Financial needed to congratulate their team, we created this custom spinner award. It was important to them to include a large photograph that shows each team member and still has plenty of space

for text.

We helped them design this award to match what was important to them and entertain the recipients. The three sided spinner highlights the key triumphs on one side, how they helped people on another, and the purpose of the team on the final side. Within the frame is embedded a photo.
