Description

Silent movies are coming back. For the 2013 Film Festival, we created this special winner award for celebrating early silent films. We have been asked to make similar awards for different early films for several

years. Each movie has a different custom shape and image within the award.

It's made from custom molded Lucite with embedded printed acetate. A photo frame from the movie has been restored and recreated for this piece.

Additional Information

Price	\$0.00
