Description

We were approached by an alumnus of a particular high school who wanted to honor his past coach from years ago. We created this custom shaped football trophy to help celebrate their memorable time together.

This is one solid piece of Lucite that has been custom crafted and cut out to create the beautiful football shape and date. The printed embedment highlights the details of the season, and we etched the base with the coach's name. The alumni shared with us how touched the coach was to be reminded of a great team and how he helped shaped lives.
