Description

Statuesque awards can be stately, dramatic or just cute and fanciful, possibly down right cartoonish. This custom stone award covers them all. The cowboy stands tall, proudly holding the firm and rugged stance. In

goldtone color, it shines brightly and you can choose your color.

The Custom molding technique created the detail of the face, hat, and clothes. You can see the detail in the fold of the shirt and rough edges of the chaps. Our creative team has worked on many figures, from cowboys to astronauts.
