Description

When a senior executive of Monsanto passed the baton to his replacement, he commissioned this award to celebrate the event. The blue Lucite baton symbolizes the passing of the power and the messages were

chosen with care as the final lessons for this team.

The message and the icons representing the divisions of the company float in the Lucite base. The whole award symbolizes strength, lessons learned, and unity. It truly highlights how we can create unique and meaningful awards that embody all of the ideas you want.
