## Description

This simple yet elegant tower award stands tall and proud with its weighty top made of tinted Lucite. Within it emerges a mountain range that from every angle gives the viewer a totally different look. The frosted Lucite

base is hefty in its own right but anchors this masterpiece beautifully. Surface printing takes care of the award recipients. This could easily be lit from top or bottom to give an even more ominously appealing look.

## Short Description

---

This simple yet elegant tower award stands tall and proud with its weighty top made of tinted Lucite. Within it emerges a mountain range that from every angle gives the viewer a totally different look. The frosted Lucite base is hefty in its own right but anchors this masterpiece beautifully. Surface printing takes care of the award recipients. This could easily be lit from top or bottom to give an even more ominously appealing look.
