Description

Optic crystal with dazzling representations of your graphics in fine-point detail. Images are created inside the crystal using a highly accurate laser to focus energy into a small point. Detailed artwork will translate into a

clearer replication of logos, product images, buildings or photographs. Nearly any image can be used to make a 2D or 3D work of art. Allow 12-16 weeks for art and production. Call for extended quantity pricing. 5" W x 5" H x 1 1/8" D
